Professor P. M. Morse
Room 6-109

Dear Professor Morse:

This letter is to confirm my discussion with your secretary in which I arranged a tentative luncheon meeting with Dr. E. P. Little, Flight Research Laboratory, Wright-Patterson Air Force Base, on Thursday, April 9 at 12 noon. As you know, this meeting was previously scheduled for 1:30 p.m. on Thursday, but Dr. Little has indicated that he will not be available in the afternoon.

We will not be able to definitely confirm this luncheon meeting until Dr. Little arrives on Thursday a.m. However, you are now alerted of his arrival, and we will call you as early as possible on Thursday to make definite arrangements.

Very truly yours,
